EDUCATION

- | | |
|-----------|---|
| 2019–2023 | Ph.D. in Economics , University of Southern California
Dissertation: <i>Essays on the Economics of Climate Change Adaptation in Developing Countries</i> (May 2023) |
| 2017–2019 | M.A. in Economics , University of Southern California |
| 2016–2017 | M.S.S. in Economics , University of Dhaka |
| 2012–2015 | B.S.S. in Economics , University of Dhaka |

FIELDS

Development Economics, Environmental Economics, Economics of Climate Change Adaptation, Labor Mobility

POSITIONS

- | | |
|--------------|---|
| 2023–present | Postdoctoral Associate , Yale Research Initiative on Innovation and Scale (Y-RISE), MacMillan Center, Yale University |
| Spring 2025 | Lecturer , Department of Economics, Yale University |
| 2023–2024 | Short-Term Consultant , The World Bank
Empirical analysis of agricultural adaptation to climate shocks for <i>Rethinking Resilience: Adapting to a Changing Climate</i> |
| 2017 | Adjunct Lecturer , East West University, Dhaka |

AFFILIATIONS

- | | |
|---------|---|
| present | Affiliated Researcher , Jameel Observatory Climate Resilience Early Warning System (JO-CREWSnet), MIT |
| present | Affiliated Researcher , Center for Natural Hazards, Climate Risk, and Earth Sustainability (CRISES), Project Sonar Bangla, MIT |

JOB MARKET PAPER

“Who Bears the Loss from a Flood? Incidence through Land and Labor Markets in Rural Bangladesh”

When a severe flood destroys livestock and equipment, the capital loss falls on the largest landholders, and the rest of the village adjusts through its land and labor markets: land rents fall, the land-poor shift from wage work into self-employment, and consumption is smoothed in every group. Draft coming soon.

WORKING PAPERS

“Adapting to Moderate, Failing at the Extreme: Newborn Heat Mortality in Bangladesh over Four Decades” (with Anoushka Chopra) *Under review*, Journal of the Association of Environmental and Resource Economists; SSRN

“From Two Daughters to a Hurried Third: Son Preference, Birth Spacing, and Mortality” (with Syed Manzoor Ahmed Hanifi)

“The Role of Land Market in Achieving the Scale for Adaptation to Climate Change: Evidence from Bangladesh” *SSRN*

ONGOING FIELD EXPERIMENTS

“Strategies for Scaling Up International Migration in Underutilized Routes within Asia” (with Austin Davis, Cynthia Kinnan, and Ahmed Mushfiq Mobarak)

Randomized controlled trial on the Philippines–Japan migration route

“Adapting to Drinking Water Scarcity in Coastal Bangladesh through Community-Level Water Desalination Business” (with Nahian Bin Khaled, Ahmed Mushfiq Mobarak, and Jared Stolove)

Randomized controlled trial

WORKS IN PROGRESS

“Effects of Increase in Decadal Monsoon Onset Variability on Farming: Evidence from Bangladesh” (with Jared Stolove)

“Migration to the Middle East and Women’s Empowerment in Bangladesh: Evidence on Household Decision-Making and Agency” (with Cecile Pierre and Frederica Mendonça)

“Approaches to Studying Adaptation in Early Climate Change Battlegrounds” (with Ahmed Mushfiq Mobarak and Matthew Kahn)

“Underinvestment in a Profitable Adaptation Technology: The Role of Market Access”

PUBLICATIONS AND POLICY WRITING

Book chapters

Kahn, Matthew and Mohammad Islamul Haque. “Cities in the Developing World.” In *Introduction to Urban Economics*, 2023.

Policy papers

Mobarak, Ahmed Mushfiq and Mohammad Islamul Haque. “Developing Scalable Pathways for International Migration: Harnessing ‘Triple Wins’ for Global Economic Progress.” Luxembourg Institute of Socio-Economic Research (LISER), 2024.

Op-eds

Haque, Mohammad Islamul and Ahmed Mushfiq Mobarak. “Fulfilling the July Uprising’s Promise: Skilled Migration for Our Youth.” *The Daily Star*, 1 August 2025.

RESEARCH GRANTS

2024	Community Jameel , \$0.5M, Co-Principal Investigator Adaptation to salinity intrusion in coastal Bangladesh
2024	Private Enterprise Development in Low-Income Countries (PEDL) , \$60K, Co-Principal Investigator Pilot RCT of a social-enterprise reverse-osmosis water service
2024	J-PAL King Climate Action Initiative (K-CAI) , \$50K, Co-Principal Investigator Pilot RCT of a social-enterprise reverse-osmosis water service
2022	International Growth Centre (IGC) , \$48K, Principal Investigator

Data collection for “The Role of Land Market in Achieving the Scale for Adaptation to Climate Change”

CONFERENCE AND SEMINAR PRESENTATIONS

2026	Allied Social Science Associations (ASSA) Annual Meeting, Philadelphia
2022	UC San Diego Environmental and Resource Economics Lunch Seminar
2021	Association of Environmental and Resource Economists (AERE) Summer Conference

Workshops

2020	Berkeley/Sloan Summer School in Environmental and Energy Economics
------	--

TEACHING

Instructor

Spring 2025	ECON 489: The Economics of Climate Change Adaptation , Yale University New undergraduate seminar; designed syllabus, readings, and assessments
-------------	--

Teaching assistant, University of Southern California

Spring 2022	ECON 587: Urban Economics (Prof. Matthew Kahn)
Spring 2022	ECON 584: Advanced Economic Consulting and Antitrust Methods (Prof. Jeffrey Dubin)
Spring 2021	ECON 101: Principles of Microeconomics

PROFESSIONAL SERVICE AND MEMBERSHIPS

Referee	International Labour Review
Memberships	American Economic Association (AEA); Association of Environmental and Resource Economists (AERE); Agricultural & Applied Economics Association (AAEA)

SKILLS AND LANGUAGES

Methods	Randomized controlled trials, survey design and large-scale field data collection, causal inference, applied microeconometrics
Software	Stata, Python, R, ArcGIS, L ^A T _E X
Languages	English (fluent), Bangla (native)
